

FC55/50/60/24

Description

Common Stramek boot-mounted stationary designs, to fit and suit a variety of international housing and working length standards.

Boot-mounted seats offer optimum cost and performance benefits.

The ribbed profile and increased elastomer contact area with the housing is often preferred.

Please specify the actual shaft size code required when ordering, as a seat separate to the seal, as each size has a unique I.D.
